Has this dog ever bitten anyone? Threatened to? YES NO

If YES, please describe exact circumstances in detail:

****Note that full disclosure of any bite or behavioral disorder is required both by law and to protect everyone's safety. SBVLR does, at the discretion of our Board of Directors, *occasionally* accept dogs with a history of bites with consideration of the exact circumstances of the bite, and with mandatory CPDT Behaviorist Consult-Evaluation prior to making a decision.**

Other comments, if any (what type of situation or family would you recommend, dog's special likes or dislikes, exercise needs, preferred foods, date by which dog must be surrendered, what makes him or her the happiest?):

Owner's Release:

I declare that I am the legal and sole owner(s) and that there are no encumbrances to the (purebred) Vizsla's AKC paperwork (if applicable) or any and all other ownership title for this Vizsla/Vizsla Mix dog.

If dog was purchased from an American Kennel Club or Vizsla Club of America Registered Breeder, I declare that I have notified said Breeder (name of Kennel and of Breeder):

in writing, of my intent to re-home this dog, and have received their *written* permission to do so (attach copy; email is fine). If it would be your preference that we notify your Breeder (in advance of taking possession of dog), please discuss this with your Rescue Coordinator.

I give permission for *Santa Barbara Vizsla Lovers Rescue* to obtain records on the above named Vizsla from any/all treating Veterinarians, breeders, or from any other sources which may have information pertinent to the health or history of this dog (prior owners, shelter from which adopted, Animal Control or licensing authority in county of residence, etc.).

I understand that I am surrendering and relinquishing all present and future rights to this dog. As all of our adoptions are considered "private", no information about where or to whom this dog has been re-homed will be disclosed. While you are always welcome to inquire of our Rescue Coordinator (listed below) we can only ever provide information as to the general status of this dog--and only then if it is considered to be in the best interest of the dog and his/her new family.
